

## Merger Proposal Approved

By an overwhelming margin, the memberships of Suburban West REALTORS® Association and Montgomery County Association of REALTORS® approved the proposal to merge into Tri-County Suburban REALTORS®.

Upon approval by the National Association of REALTORS® of the Agreement of Merger, the consolidation will become effective January 1, 2021.

The leadership of both organizations is inspired and energized to move this organization to even greater heights. We appreciate the membership's support and we look forward to positioning each of you for your best future in our industry.
